Lifetime Objective: To network advanced environmental technology to the World market

Education:

UCLA, B.A., 1964, Los Angeles, CA
UH, M.A., 1966, Honolulu, HI
UH, PhD., 1982, Honolulu, HI
M.A.

Research done in the legal, industrial, and familial aspects of Sociology; in Psychology, research was on student-oriented faculty evaluations, philosophy of human nature related to marital preference characteristics, and on cross-cultural behavior in the Pacific Region's industrial work environments.

Had two years experience as a graduate assistant, teaching introductory Sociology laboratory sections and counseling students.

Thesis was under the direction of Dr. Clarence Glick. Title was Inter-Marriage in Hawaii Between Mainland Caucasians and Local

Part-Hawaiians. Used complementary cultural and personal need structure theory. Organized faculty Sociology club meetings. Maintained a B average.

PhD.

Course work evolved around societal development and change, with emphasis on sociological theories.

Developed a research design for studying domino theory in mass communications.

Dissertation was on rock music and social change.

Maintained an A average.

Language:

Spanish

Travel:

Europe, Philippines, Japan, Mexico, South America, North America, Fiji, Samoa, Australia, Canada, New Zealand

Other Experience

Enrolled in Special Studies during Senior year, UCLA, doing field research under Dr. Sam Surace on kinship interrelationships within an industry and effects of the primary group on efficiency within the work unit.

Research during Junior year was under Dr. Joan Moore on educational motivation of the lower socioeconomic classes.

Taught Introductory Sociology for the College of General Studies from the fall of 1966 until summer, 1972.

1966/67

Worked as a Position Classification Specialist; specialized in industrial sociological analyses for the Federal Government.

1967/69

Taught History, Sociology, and Political Science at the Hawaii Curriculum Center. Developed and tested social science curriculum for the HI public schools.

1969/71

Personnel and Training Director for Ritz Department stores.

1971/81

Was a Personnel Management Specialist for the Federal Government. Designed a racial and cross-cultural awareness course for use in Federal Service.

Did survey research and organizational evaluations. Taught management classes, worldwide.

Designed and developed organizations and classified and evaluated positions within them.

1981/89

Worked as a Supervisory Management Analyst in charge of manpower and organizational studies throughout the Pacific, including economic analyses.

Developed support plans and participated in exercises. Studied

ADP feasibility and analyzed equipment, prior to installation.

Did quality assurance and productivity/cost effectiveness studies for profitable operations (disposal).

Analyzed policies and procedures, e.g. hazardous funding, precious metals processing, et al, to ensure efficient goal accomplishment and cost effectiveness.

Analyses required use of factoring, regression, correlation-coefficients, economic analyses, etc.

Wrote program directives for Pacific activities. Supervised commercial activities of property disposal, internal control, position management and Facilities Planning

programs.

Directly supervised 16 people.

1987/96

President of TRIOD Promotions, Inc. Brokered environmental technology and products, sold commodities, building materials, and affordable homes, worldwide.

Planned and promoted major, charitable events, such as concerts, casino nights, craft fairs, and carnivals.

1995/Present

President of TRIOD International Group, Inc. Traded commodities,

ran a full-service travel agency, and arranged environmental technology transfers. Organized a consortium to convert businesses to satellite telecommunications.

Processed commercial loans, following mortgage-origination licensing in Aug. of 1997. Attended real estate school in Aug. of 1998 and became a licensed time-share agent. Represents advanced environmental technology companies, such as US Plasma, and Schlumberger. Sells pyrolysis plants and smart cards, usually to government agencies. Registers businesses in NV; opens and maintains bank accounts.

Represents Oasis, a medically approved, anti-aging system.

2000/Present

Agent for 25 European prime banks in role of high-yield investment consultant for the Trust Department(s).

2000/Present

Long-term vacancy substitute Instructor in Adult Ed. for the Clark County School District. Teaches Social Studies, Computer Science, Health, ESL, PE, English I,II,III,IV, and History. On my own, teach elementary Physics and Philosophy of Science.

Organizes field trips for the classes, e.g. to UNLV, libraries, a local business, government agency, etc.
